Case No. 2:24-cv-01757-CDS-MDC

7 Pro se plaintiff William H. Ball initiated eight age discrimination lawsuits on August 8,
 8 2024.¹ The district judges and magistrate judges agreed that those eight cases involved similar
 9 claims and similar questions of law and fact; and for that reason, the cases were assigned to a
 10 single district judge and magistrate judge.

11 On September 19, 2024, Ball initiated another five age discrimination lawsuits. The cases
 12 all assert that Ball was not considered as a candidate for employment because of his age. Under
 13 Local Rule 42-1 (a), an action is considered related to another action when:

14 (1) the actions involve the same parties and are based on the same or similar claim;
 15 (2) the actions involved the same property, transaction, or event;
 16 (3) the actions involve similar questions of fact and the same question of law, and
 17 their assignment to the same district judge or magistrate judge is likely to effect a
 18 substantial savings of judicial effort; or
 19 ...
 20 (5) For any other reason, it would entail substantial duplication of labor if the
 21 actions were heard by different district judges or magistrate judges.

22 LR 42-1(a).

23 Because these actions involve similar questions of fact and law, and their assignment to
 24 the same district and magistrate judge is likely to result in a substantial savings of judicial effort,
